2. A motion to proclaim January 23-29, 2005 Hazardous Materials Awareness Week died for lack of a motion.

### Reports

1. **Town Manager's Report:** Ms. Webb submitted a written report. She added that former resident Irene Balsley was in the hospital. She also updated the council on the sewage leak under the bridge and stated it had been repaired. Councilman St. John was concerned about future damage to the sewage line and suggested putting up warning signs about anchoring near the line. Mayor Frucci stated he would talk with Mayor Glover of Fort Walton Beach. Ms. Webb stated she would report back next month.
2. **Engineer's Report:** Mr. Fell stated he met with Larry McDonald about the drainage on Hughes Street. He said that a 2 x 4 piece of lumber was removed from the pipes that could have caused the drainage problem. He said he scheduled a survey of the property to check the elevation and that the house might have been built too low. He said he would research to see when the house was built. He also updated the council on speed humps for Opp Blvd. He

stated that Destin just installed one 12' long with a 3 to 4 inch rise at a cost of about \$7500. He recommended that the town follow a uniform code if speed humps are installed and that there be 300-400 feet between humps. Councilman Koch questioned if that was the answer. Deputy Kirkpatrick stated he had spent two weeks on Opp Blvd. only stopped two speeders and two stop sign violators. He stated that he would arrange for a traffic counting device to see what is actually happening in the area.

3. **Community Officer's Report:** Deputy Kirkpatrick stated he went with the fire marshal to several locations in Cinco Bayou to see if they were up to code. Questionable properties included 91 Beal Parkway, 7 Hughes Street, 21 Kelly, 92 & 94 Opp Blvd and 90 Yacht Club.
4. **Attorney's Report:** Attorney McInnis recommended if a traffic device were installed that it would be a speed hump and not a speed bump and that it must be done in strict accordance with set standards. He also stated that Lamar Advertising had been sent a letter outlining three issues of concern and was waiting for them to reply and submit an application. In reference to the surplus property on Yacht Club Drive off of Sleepy Hollow, Mr. McInnis said several questions were raised such as how the town got the property. He stated that the title needed to be researched to see how the town acquired the property, but at this time it could not be considered as surplus.

**Public Comments/Requests:** none given

**Council Member's Comments/Reports:** none given
