

TOWN OF CINCO BAYOU
NEWSLETTER MEETING
10 FEBRUARY 2007

A meeting was held on Saturday at 1:00p.m. Those in attendance: Susan Caforio, Nick Chubb, Carol Koch and Nell Webb. The purpose of this meeting was to discuss and an attempt to put together a newsletter.

Many ideas were tossed around, the conclusion that this first newsletter after this lapse of time should be brief and to the point. The committee is attempting to include bits and pieces of what has been going on, and the following newsletters will concentrate more on particular issues.

This newsletter will contain an article by the City Manager, the Community Officer, announcement of March picnic, highlight park issues, ask residents for their input in any of these areas, ideas or suggestions.

This committee hopes to get the newsletter going again on a regular basis with items from each of the Councilman and, hopefully, residents.

Carol will work with Monica in the following week to get newsletter ready. Each councilman will be E-mailed a copy for input or correction before publication.

Meeting adjourned at 2:40.
