

February 12, 1974

Present:

Mayor Harold K. Smith
Councilmembers:
Irene Balsley
Iva Booher
Harold Peek
Attorney Fred Estergren

The meeting was called to order with silent prayer.

The minutes of the January meeting and the special meeting were read and the motion by Councilman Peek, to accept the minutes as read, was seconded by Councilwoman Balsley and the motion carried.

The motion by Councilwoman Balsley, to accept the finance report was seconded by Councilwoman Booher, the motion carried.

John Smith, speaking on behalf of Kenneth Crowder, stated that the bonding company should have the bond for Kenneth Crowder and Sons, Contractors by Friday 15, 1974. The motion by Councilman Peek, to grant an extension until Friday, February 15 at 5:00 p.m. (Post Office mark), was seconded by Councilwoman Balsley and the motion carried.

Billy Gibson requested a variance on his property zoneing for an expansion to his trailer court. Attorney Estergren stated that it would require rezoning the lot and that new trailer courts are not allowed in any of the zoning specifications.

Concern was expressed to the Town's being without fire protection - due to the publicity of an auto-fire within the Town limits. Councilman Peek expressed his desire for the Town to study as many alternatives as possible and then to come to some decision as to one for protection. Mayor Smith appointed a committee of Councilman Peek, Councilman Johnston, and Councilman Hodges to study prices on equipment, and assessment on Town.

The motion to adjourn was made by Councilwoman Booher and the motion carried.

Respectfully submitted,

Ina Crawford, Town Clerk
