

TOWN OF CINCO BAYOU
CDBG WORKSHOP
March 25, 2009 – 5:30 PM

Mayor Iovieno called the CDBG Workshop meeting to order at 5:30 P.M. on Wednesday, March 25, 2009. Roll call was taken:

Roll Call: Mayor Iovieno
Mayor Pro Tem Farley
Councilman Chubb
Councilman Koch

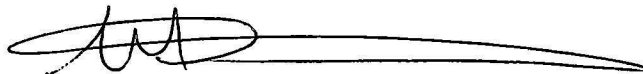

Also present at the meeting were: Town Manager/Clerk Nell Dykes, Assistant Town Manager/Clerk Monika Gillette, Attorney Jeff McInnis, Engineers Jason Sheplar and Tim Martin and resident Jim Bratton.

DISCUSSION ITEMS:

1. Jason Sheplar of Mittauer Engineers submitted a packet listing the properties that would require utility easements for the Eglin Parkway Corridor project. Attorney McInnis said he has done title searches for those properties.
2. During discussions on the project review's proposed presentation to the property owners, Mayor Iovieno suggested that artist renderings of the completed project be displayed during the presentation. During discussion about possible costs to individual property owners, Attorney McInnis suggested giving an overall cost of the project, not individual costs. Engineer Sheplar stated that the project would be done in phases. The council requested an update of timing and cost for the artist rendition from Mittauer & Associates. It was the recommendation of the council to have the Town Manager draft a letter to property owners introducing the project and submit copies of the artist's rendition. The letter and further discussion would be held at a workshop set for Thursday, April 9, 2009 at 5:30 pm.

Adjourn – There being no further business, the meeting adjourned at 6:08 pm.
