

**TOWN OF CINCO BAYOU  
VISION WORKSHOP MEETING MINUTES  
5 July 2001**

Chairman/Councilman Dan Farley called the Vision Workshop Meeting to order at 6:00 P.M. Present at the meeting were: Councilman Dan Farley, Mayor Randall Drabczuk, Councilman Norm Frucci, Councilman Sara Carroll, Councilman Hugh Bainter, Town Manager/Clerk Nell Webb, Assistant Monika Gillette, Rai DesGranges, Ron DeGranges and Penny Austin.

Chairman Farley provided attendees with a draft vision statement he had written and emails documenting a possible grant through the Department of Community Affairs. He stated that in order to apply for the grant, the committee needs to submit a specific timeline. He suggested that money from the grant be used to review and revise ordinances.

Councilman Carroll also submitted a vision statement. It was discussed that before a final vision statement could be written a survey of residents and businesses must be taken for further input. Chairman Farley collected everyone's suggestions for survey questions and said he and Mrs. Webb would compile them into a survey and bring it back to the committee for review. The goal for the survey is one page and about 10 questions.

Mayor Drabczuk suggested that since it would be quite a while before any ordinances would be reviewed and updated that the committee recommend to the Council adoption of an ordinance adopting Okaloosa County ordinances in the interim.

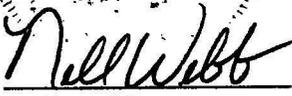

Councilman Bainter stated that every decision should be supported by the vision statement and that terms such as "beautiful" be clearly defined.

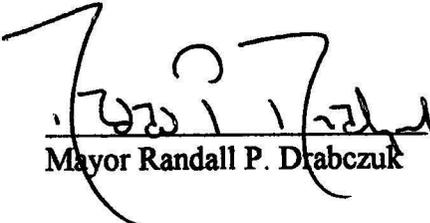

Chairman Farley asked the committee to look at the suggested time line for the possible grant. The time line decided on was:

Survey .....	August 30, 2001
Survey Results and Executive Summary .....	October 31, 2001
Vision Statement.....	December 31, 2001
Action Plan .....	February 28, 2002

The next meeting of the Vision Committee was scheduled for Thursday, July 19, 2001 at 6 pm.
