Mayor Laginess reviewed all items on the FY 1995/96 Budget and asked that Councilmembers ask questions and make comments at any time during the meeting. After quite a lengthy question and answer period concerning all aspects of the Budget, Councilman Skelly ask for \$10,000.00 for trees to be added if possible. Mayor Laginess ask if \$250.00 could be added for new weed trimmer and \$2,500.00 for new computer equipment. The Council agreed to add the \$250.00 to the 1995/95 Budget. At that time Mayor Laginess ask if the new computer equipment could be paid for out of this years budget, on money saved from the salary of retired Manager Al Borchik. The Council agreed that the new equipment was needed and gave the go ahead. Councilman Kendrick commented that before they plant more trees in Town that the roads should be paved. There was no final approval on the Millage Rate but another meeting will be called before the fiscal year begins October 1, 1995.

There being no further business, the meeting was adjourned at 6:15 P.M.
