

Town of Cinco Bayou Council Meeting  
August 5, 1969

The Cinco Bayou Council Meeting was not held because a quorum of our Council members could not be present.

Mr. \_\_\_\_\_ representing Moore Handley Company presented blue prints for a building permit. The new structure will be built at the corner of Hughes Avenue and Eglin Parkway. After reviewing the blue prints Mayor Pro Tem Edward Laritz signed the permit.

Respectfully submitted,

Irene E. Balsley, City Clerk
