Present: Mayor Gordon Gibson

L.P. Disheroon
James Rice, Attorney

The meeting was called to order by the Mayor. Minutes were read and approved.

A report was given by Mayor Gibson concerning the boat laws of Kidd Bayou. Mr. Rice submitted a letter received from the office of the Attorney General concerning the boating laws governing the jurisdiction and punishment of offenders by the county sheriff and city constable. It was suggested to post signs in Kidd Bayou regarding the speed limit of all boats.

It was brought to the attention of the Council that Veterans Gas Company has been dispensing gas in the Town without charging city tax. It was suggested that proceedings be instigated to start and audit of their books in reference to this matter. Mr. Rice mentioned it would be well if the Town instigated the submitting of license by every business operated in the Town of Cinco. Each business shall be contacted by Mr. Rice.

All business being accomplished, the meeting adjourned.

Respectfully submitted,

Harriet Mink, Clerk
