

TOWN OF CINCO BAYOU  
VISION WORKSHOP MEETING MINUTES  
4 October 2001

Chairman/Councilman Dan Farley called the Vision Workshop Meeting to order at 6:05 P.M. Present at the meeting were: Councilman Dan Farley, Councilman Sara Carroll, Councilman Carol Koch, Councilman Hugh Bainter, Town Manager/Clerk Nell Webb, Assistant Monika Gillette and resident Rai DesGranges.

Mrs. Webb stated that an agenda was provided for this meeting as a requirement of the FRDAP grant application process for Glenwood Park Phase 2. Along with discussion of future projects at Glenwood Park, Councilwoman Koch agreed to work on a motion to write a letter to the Audubon Society for their help in the Glenwood Park.

Chairman Farley gave a background on what a CRA (community redevelopment agency) is and what benefit it would be to establish one or more in Cinco Bayou. He referenced a packet sent by the City of Eagle Lake and suggested that everyone look at it. After discussion, the group agreed that at the next council meeting that a motion should be made to move forward with establishing a CRA.

Chairman Farley passed out a brainstorming sheet developed by Rod DesGranges regarding changes in the community.

The walking tour of the Town was postponed until October 18 at 5 pm.

**Adjourn** – There being no further business, the meeting adjourned at 7:25 p.m.
