

FAREWELL TO A SPECIAL LADY

Council Member and Mayor Pro-Tem Carol Koch has decided it's time to step down. With over 14 years serving our community as one of the Town's faithful Council Members, Carol was involved in many projects including the Bat House under the Cinco Bayou Bridge, numerous state grants awarded to the Town for increased beautification to our parks, and many capital improvements throughout town including our streetscape project along the Eglin Parkway Corridor. She has been instrumental in many changes to our Town's infrastructure.

Her sweet spirit, wonderful humor and homemade goodies will be immensely missed at Town Hall.

**WELCOME
TOWN OF CINCO BAYOU
TOWN COUNCIL**

I am originally from Rhode Island and what drew me to this area was our beautiful bayous and beaches. We were drawn to Cinco Bayou because it was a small close community and we thought it would be a great place to raise a family.

I want to thank everyone that came out and voted; we really appreciate all of your help.

In the coming years I would like to see us continue our efforts in upgrading our parks and securing grants to do so. I would like to focus on the health and welfare of our bayous. In the near future I would like to see our streets that are in disrepair fixed and work on the aesthetics of the town.

TOWN COUNCIL**

I'd like to thank everyone that voted for me in the March election. I have served as a councilwoman for the past 3 years and have thoroughly enjoyed being involved with this great community.

During my next term, I hope that we can continue to improve our roadways and improve and protect our parks and wetlands.

I truly love living in this area and I'm delighted to continue serving the residents of Cinco Bayou.
