

HAPPY SPRING

It has been several years since we have had a true election for Town Council seats here in Cinco Bayou. Often our Town Manager, Keith Williams, has to search for citizens willing to volunteer to serve on this important governmental body. People are just so busy with their commitments to work, family, friends, etc., that they hesitate to take on an additional responsibility. While we recognize the critical function of our local government, it's difficult to find individuals who will accept a position on the Cinco Bayou Town Council.

This year we are fortunate that four citizens are willing to serve our Town as members of the Council. Tatiana Abernathy, Paula Andrews, Danny Dillard, and Laura Driver have qualified to run for three open council seats. They are willing to serve as your representatives on our local Town Council and are committed to being your voice in this unique neighborhood.

You will find information regarding various ways to cast your vote in the March 14 election in this newsletter. Please read this article carefully and select the voting option that works best for you. All registered voters are eligible to vote for three people to fill the open council seats. We are citizens of the greatest nation on Earth and tasked with the responsibility to ensure that our voices are heard at all levels of our government—federal, state, and local. Join me and your neighbors as we cast our ballots for these critical local positions.

THE TOWN STAFF HAS BEEN BUSY PLACING NEW SIGNAGE THROUGH OUT THE AREA ESPECIALLY AROUND THE CINCO BAYOU SCHOOL ZONE AREA TO HELP US BE MORE AWARE OF CHILDREN.

We are coming into spring again and things around us are starting to grow already in February. With this comes a lot of household chores and honey do's. The Town is getting our spring cleanup dumpsters donated to us again by our friends at Waste Management and we will have one located in the K-Mart parking lot by Kelly Ave. and another one located in Laguna Park. The scheduled times for the dumpsters are in the newsletter. Remember anything is allowed in the dumpsters with the exception of toxic chemicals and hazardous waste so get your work gloves on and let the cleaning begin.

I also wanted to remind everyone that we have a FRDAP grant project that is about to begin at the Winn Davis Park. So everyone keep your eyes open for our new fishing dock and picnic renovations as they should be up by summer.

And also last, but certainly not least, be sure to cast your vote for your favorite elected officials on March 14th at the Cinco Bayou Town Hall. We have a great group of people already on our Town council and looking to add to it. Happy Spring to everyone in our community!
