

After a summer of heat and humidity, I'm looking forward to cooler days returning to the Emerald Coast and our unique town. This has been a busy season for the Town of Cinco Bayou. In June we celebrated the 65th anniversary of the founding of Cinco Bayou with an old-fashioned ice cream social at the Town Hall. On July 23 we hosted the Okaloosa County League of Cities dinner, an event held quarterly by one of the nine municipalities in our county. Your council members and town staff are thankful that our turn only comes around once every two years or so; Keith, Linda and Jerry went over and above to make this evening special for everyone who attended. We'll also be organizing a nature walk at Glenwood Park on Saturday, Sept. 26, as part of the celebration of Okaloosa County's centennial. For such a small place we stay busy!

As your mayor, I am a representative on the Transit Cooperative, a group of elected officials working to ensure that Okaloosa County has a system of efficient, affordable public transportation for citizens and visitors alike. I have also attended meetings of the Economic Development Council, an organization dedicated to workforce development and the expansion of businesses and industries in our county. All of these activities are designed to make sure that the citizens of our town have a voice in decisions that affect Cinco Bayou as well as our larger community. Along with your town staff and council members we have held several public meetings as we developed a budget for fiscal year 2015-2016. We spent many hours (and the staff spent days) working to ensure that your tax dollars are utilized wisely and that critical needs in the Town are addressed.

Your Town Council meets on the second Thursday of each month at 6:00 p.m. at the Town Hall at the corner of Yacht Club and Kidd Street. Please join us and share in the governance of your neighborhood.

Mayor Jean Hood

TO ALL CITIZENS OF CINCO BAYOU

A FRIENDLY REMINDER, PLEASE BE AWARE OF OUR NOISE ORDINANCE!

8:00 P.M. – 8:00 A.M.

MANAGER'S MESSAGE

Thank you all for being a part of our great little community. We want everyone to feel at home here and be part of our town. I also want everyone to know we have a Council meeting on the second Thursday of every month at 6 p.m. at the Town Hall and I want you to come and be a part of what goes on here. Our staff works very hard and tries to be vigilant of what goes on around town, but we miss things sometimes. Please if you have a concern call Town Hall and let us know. We will get to work on it! This upcoming year we will be working all over town. Winn Davis Park where the Town Hall is located has received a grant to do some improvements and some upgrades to the parking area and we are going to put a dock in. Our engineers are working on the final details of the work plan right now. We also will be paving some of our roadways and repairing sidewalks and storm water elements. I think all of the improvements will make Cinco Bayou an even better place to call home!

Keith Williams, Town Manager
